LPN to RN Mobility Program Admission Requirements Information

Information for Student Applicants

Minimum admission standards for the LPN to RN Mobility Program include:

1. Unconditional admission to CVCC
2. Receipt of completed application for the LPN to RN Mobility program by the deadline
3. A minimum of 2.50 GPA for the last 24 hours of college credit for students with previous college work
4. Good standing with CVCC
5. Meeting the essential functions or technical standards required for nursing
6. Completion of the Test of Essential Academic Skills (TEAS) prior to application deadline
7. Proof of an unencumbered or non restricted Alabama license
8. Employment Verification Form must be submitted documenting at least 500 clock hours worked within the past 12 months. Hours must be completed prior to the posted deadline. **If you do not have 500 hours by the deadline, you must submit a letter from your employer (on letterhead) stating how many hours you currently have and that you will have 500 hours completed prior to the start of the program.**
9. Completion of the following *prerequisite* courses: **ENG 101, MTH 100 or higher, BIO 201, BIO 202**
10. **Official transcripts** from **EACH** college you attended must be submitted to the Admissions office **BEFORE** the application deadline. Your application will be **INCOMPLETE** if all transcripts are not received and your application will not be considered for admission into the program.
11. **Unofficial transcripts** from **EACH** college you attended must be submitted along with your nursing application. Your application will be **INCOMPLETE** if all transcripts are not received and your application will not be considered for admission into the program.

Admission to the LPN to RN Mobility Program is competitive, and the number of students is limited by the number of faculty and clinical facilities available.

Meeting minimal requirements does not guarantee acceptance.

Health Enrollment Requirements

The following only applies to students who have been conditionally accepted into the program.

Students that are conditionally accepted for enrollment into the nursing program will be required to submit the following items after they have been accepted. Students that do not submit or misrepresent the following information will be excluded from the program.

2. Documentation of immunization - including MMR, Chicken Pox, PPD – TB skin test (If TB tests positive, must have X-ray)
3. Proof of Tetanus shot within last 10 years
4. Hepatitis –B vaccinations or waiver (Hepatitis Waiver form provided by CVCC)
5. Current copy of Health Insurance card
6. Copy of current CPR certification (must be by American Heart Association)
7. Negative Drug Test (Drug Test form provided by CVCC)
8. Background check accepted by clinical facilities
9. Ability to meet Essential Functions with or without reasonable accommodations.

CALCULATION OF POINTS

After meeting all minimum requirements, applicants are rank-ordered using a point system based on:

- Your score from the Test of Essential Academic Skills (TEAS)
- Points for selected college courses (i.e. BIO 201, BIO 202, BIO 220)
- Students may be awarded up to 10 points as determined by individual college policy and procedures.

1. **ATI Test of Essential Academic Skills (TEAS-V):** This test must have been taken within 3 years for consideration. Points awarded will be based on percentage score equivalent. If you have taken the TEAS-V at another location, an official copy of this test must be sent electronically to CVCC, please visit www.atitesting.com for more information. Applicants who fail to submit their official score will not be ranked for admission.

Max: 150 points

2. **Points Awarded for Selected College Courses:**

Please use the following scale: A = 30 points; B = 20 points; C = 10 points

COLLEGE COURSES				POINTS
BIO 201	A	B	C	
BIO 202	A	B	C	
BIO 220	A	B	C	

Max: 90 points

3. **Additional Points:** Ten (10) loyalty points will be awarded to students who have completed ALL their previous coursework at CVCC. Five (5) loyalty points will be awarded to students who have completed their points based classes (BIO 201, BIO 202, and BIO 220) at CVCC.
