Subject: COVID-19

Hello Pirate Family:

Under the directive of Gov. Kay Ivey, Chattahoochee Valley Community College's campus is closed to all students Monday, March 16 through Friday, April 3. All full-time faculty and full-time staff are asked to report to work on Monday, March 16 for alternative work instruction.

Your safety in this matter is the College's main concern. We advise all to exercise caution and adhere to advisories from the Centers for Disease Control (CDC) and Alabama Department Health (ADPH).

Thanks!
Jackie Screws
President
