Greetings Pirate Family:

I hope this email finds you and your families doing well and you are following guidance regarding social distancing. It is our sincere hope that our efforts will enable us to return to normal soon. With consideration for the health and safety of our students, faculty and staff, we have made the difficult decision to **continue to operate in an online and remote environment through the 2020 summer term.** Please visit the link that follows to review the plan that has been outlined for the delivery of our instructional and related services. This plan was communicated in an earlier email and is included on our Web site for your review. We encourage you to read it in its entirety. (<http://www.cv.edu/wp-content/uploads/2020/04/CVCC-COVID-19-Modiified-Instructional-and-Service-Delivery-Plan-Revised-Mar-31-2020-For-Web.pdf>.)

Please regularly review your email for updates and information on developments relating to COVID-19 and its impact on the College as a whole.

We are close to the end of the spring semester and it is our hope that all students will stay connected to their instructors and College staff to receive the support needed to finish the semester successfully. As we transition to the summer term, we want you to know that we are here for you and we encourage you to complete your registration and stay on schedule for completing your educational goal.

Thank you for your continued support of the College and we hope you continue to be Pirate strong!

Warmest Regards,

Jackie Screws

Chattahoochee Valley Community College
