# Institutional Effectiveness Measures for Student Success

---

Mission Statement: Chattahoochee Valley Community College promotes student success and is committed to enriching our community by offering accessible, quality, and engaging educational opportunities through academic transfer, career and technical education, workforce development, and adult education.

Through a campus-wide effort, we foster student success by providing a student-centered environment and support services. We actively monitor student success and trends in a constant effort to better serve our students.

The Report on Measures of Student Success is a report of data based on 12 institutional effectiveness measures.

The Institutional Effectiveness Measures of Student Success are:

1. Success in Remedial Courses
2. Graduation Rates
3. Success Rates in Distance Learning
4. Satisfaction with Enrollment Services
5. General Education Pass Rates
6. General Education Student Learning Outcomes
7. Top Ten Courses Success Rate
8. Retention Rates (Full and Part-time)
9. Academic Progress
10. Licensure and Certification Rates
11. Employment Rates
12. Student Satisfaction Rates

To fulfill our mission, the College annually updates and assesses the data in this report, which identifies trends and illustrates our progress in achieving our mission. A list of recommendations for improvement is included in this document.

## *RECOMMENDATIONS FOR IMPROVEMENT 2021-2022*

The following recommendations were developed by the Administrative Cabinet as a means for improving student success.

1. Fully implement the Title III SENSE Grant to focus on student success measures (Persistence, Retention, and Graduation Rates). (Responsible Cabinet member: Dr. Taylor)
2. Revise the Strategic Enrollment Management Plan (SEM) to include activities for eliminating barriers to success. (Responsible Cabinet member: Dr. Taylor)
  - a. Remove the required graduation application and incorporate an automatic award process. The application will only be for graduation ceremony participants.
  - b. Revise the College's on-board process.
3. Continue a College focus on customer service excellence. (Responsible Cabinet member: ALL)
4. Director of Online Learning will implement training sessions to support faculty in online instruction. (Responsible Cabinet member: Dr. Calhoun)
5. Revise the CTE Advisory Council survey to ensure a means for assessing success in teaching and learning program delivery. This will ensure that subject matter experts provide input into program delivery. (Responsible Cabinet member: Dr. Armstrong)
