

The 2022-2023 Free Application for Federal Student Aid (FAFSA) submitted was selected for a process called verification. Per federal guidelines, the Financial Aid Office may ask for confirmation of the information reported on the FAFSA. To verify that the correct information was provided, the Financial Aid Office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are discrepancies, FAFSA information may need to be corrected. This completed form and other required documents must be submitted to the Financial Aid Office. Please include the student's name and student ID number on all documents. The office may ask for additional information if necessary. For questions about verification, contact the Financial Aid Office as soon as possible so that any financial aid offer will not be delayed.
