--------------	------------------------

This student's FAFSA has been flagged by the U.S. Department of Education because he/she has been determined to have an "unusual enrollment history." During some of all of the years listed the student has received either Pell grants or Direct Loans. As a result, the student's academic transcripts from all of the institutions attended must be reviewed. Section I & II will be completed for students with UEH 2 and Section III & IV will be completed for students with UEH 3 then kept in financial aid file.

Section I		UEH 2
