FUTURE OF WORK ACADEMY

Brought to you by 

October 25th-27th, 2023

Virtual

The Future of Work Academy (FOWA) for Community and Technical Colleges is enhancing students' learning journeys and career readiness skills. Students who participate will increase visibility with top tech firms and have access to internships. This virtual program is sponsored by HP and is at NO COST to you!

Register for the workshops & panels by October 23rd

FOWA COMPONENTS

CAREER ACCELERATOR

Students will have the opportunity to apply for internships with participating HP, sponsors, exhibitors, and partner organizations.

VIRTUAL SYMPOSIUM

Interactive space filled with sessions that explore career readiness skills and future-ready skills needed for employment.

STUDENT INNOVATION INCUBATOR

Students compete for prizes around different career path skills working alongside HP and partners on activities that solve real business challenges ! **You can indicate your interest in the incubator during registration.**

PATHWAYS

ENTREPRENEURSHIP

Students will have an opportunity to learn how to understand a customer's problem, develop a business plan, and craft a marketing pitch. Hosted by University Startups.

FUTURE SKILLS

Students will gain insight into the skills and capacities that will be in high-demand in the future, as well as resources to ensure readiness for future jobs

Interested in participating? Use this QR code to register. Please register even if you can't attend live to get exclusive access to other resources.

FUTURE OF WORK ACADEMY

Brought to you by 

October 25th-27th, 2023

Virtual

Below is more information about what you can expect to get out of the virtual conference and incubator experience. The innovation incubator has limited spots, so register TODAY to secure your chance at winning prizes!

STUDENT INNOVATION INCUBATOR

Students can sign up for the incubator during registration. Each pathway has an opportunity for students to compete for prizes sponsored by HP!

ENTREPRENEURSHIP

100 students will have the chance to go through a 3-week entrepreneurship boot camp in November. Participants will have the chance to build their skills AND resume with this one-of-a-kind incubator. With limited spots, sign up TODAY!

FUTURE SKILLS

Students can opt to receive the incubator topic during registration. Students will be emailed the incubator topic and can submit their solutions by October 6th. Finalists will be chosen to present during the conference. All students can submit their ideas!
