Notes about the Literature/History sequence and Transferring

Students must complete a 6-hour sequence in either history or literature:

Eng 251/252 – American Literature I & II or Eng 261/262 – British Literature I & II

His 101/102 – Western Civilization I & II or His 201/202 – United States History I & II

Students transferring within the state of Alabama should complete an [Alabama Transfers guide](https://alabamatransfers.com/) to help them choose electives: <https://alabamatransfers.com/>

Students transferring outside the state of Alabama should contact the college to which they are planning to transfer for an evaluation of credits and a copy of the appropriate degree plan. This ensures that courses chosen will transfer to the next institution the student will attend.
