Can't access your account?

Back   Next

- Do not use the "Can't access your account" on the "Sign in" page or the "Forgot Your Password" link on the "Enter password" page if you forgot your password. To reset your password, go to https://password.alabama.edu and follow these steps:
    1. Enter your A#@alabama.edu and click "Go"
    2. Click the "Forgot Password" link and this will email a code to your personal email address
    3. Enter the code into the page
    4. Reset your password meeting the requirements

       Note: If you have issues, you can call 334.214.4860 during normal College Business Hours

- Your device will prompt to install the configuration profile. Click 'Allow' to download the profile.

NetID should be downloaded

This website is trying to download a configuration profile. Do you want to allow this?
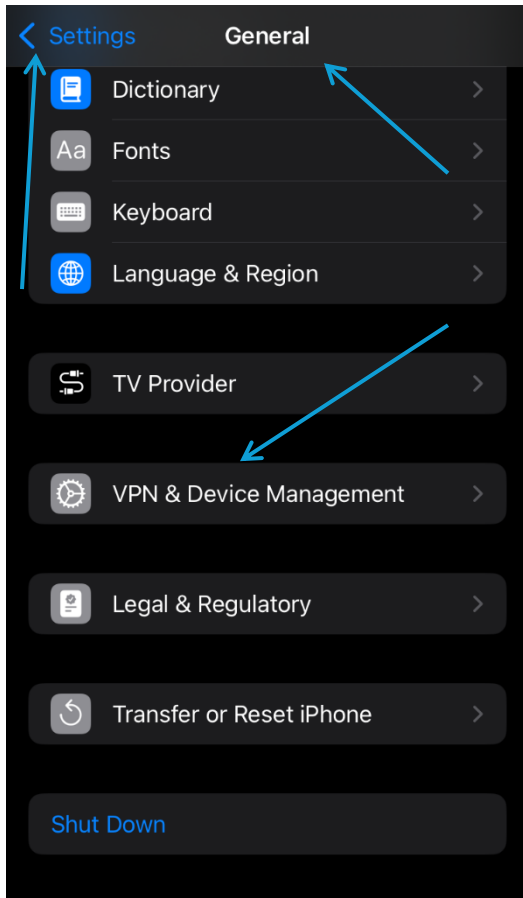

Ignore   **Allow**

Setup iOS Device to connect to CVCC AEDU Wi-Fi For Employees and Currently Enrolled Students

- You should get a verification that the profile was downloaded and click "Close"
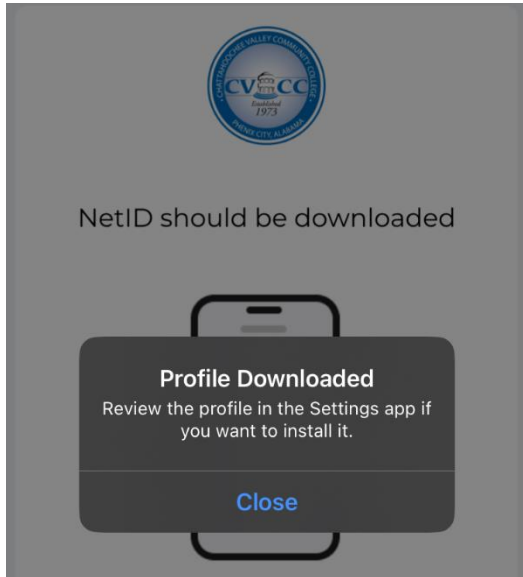

- Go to Settings → General → VPN & Device Management on your iOS device

Setup iOS Device to connect to CVCC AEDU Wi-Fi
# For Employees and Currently Enrolled Students

- Under VPN & Device Management you will click the profile labeled "alabama.edu WiFi settings"

- Click the "Install" option in the top right corner

- Click install in the top on the Warning screen about the root certificate then install again

Setup iOS Device to connect to CVCC AEDU Wi-Fi
For Employees and Currently Enrolled Students

- You will get an "Enrolling Certificate" screen then a "Profile Installed" screen. Click "Done" on this last screen

- Under your Wi-Fi settings, you should see "AEDU" listed under "My Networks" when you come onto campus. Click on the "AEDU" and you should be connected at that time.
